

Memorandum of Understanding
Intent to Coordinate Services to Persons at Discharge
 Between
 Lee Memorial Health System
 and
 The Lee County Homeless Continuum of Care
 As Represented by the Lee County Board of County Commissioners,
 Department of Human Services

The intent of this Memorandum of Understanding is to ensure, to the maximum extent practical, persons discharged from Lee Memorial Health System will not be discharged into homelessness.

Designated staff at Lee Memorial Health System will review the programs and services available for persons in pre- and post- discharge status and make recommendations to and referrals on behalf of the discharged individual. Current program descriptions for housing, services and referral contacts will be maintained by the Homeless Continuum of Care and provided to Lee Memorial Health System. Further, each agency will notify the other when programs are revised, eliminated or expanded.

This Memorandum of Understanding shall be in effect from this date and shall continue until modified or discontinued by either party.
